“Everything can be improved”

C.W. Barron

We are the privileged two that have been bequeathed the responsibility of taking **Kohinoor Group** into the future. We are extremely proud of our fathers, their success is truly inspirational. We, in turn, aspire to demonstrate our individual abilities and take **Kohinoor Group** to an even greater level and continue along the upward path of achievement.

Fundamentally, we understand that growth in business means constant adaptability to time and trends. We understand that we need to respond to the market as it stands now, in the 21st century. It is understood, that to do this, we must be vigilant to change, intelligent in response and quick to act. Business is fast-paced and competitive, an exciting world to be in.

Our is a 3-dimensional vision, we look to grow in every aspect. We firmly believe that there is no end-point to growth. There will always be something new to achieve and excel in. We are excited to venture Down 'roads undiscovered'. Not only will we introduce new products in the existing markets, but take ourselves to the markets yet unexplored both domestic and international.

Our belief is firm, that is, we have always been a customer oriented company. The company will continue to place a great emphasis on customer support. We plan to persist with strong marketing campaigns with our "Message" clear and concise, Kohinoor-the 'go to' people for pipe fitting, valves and cocks. We are a customer friendly and easy to access group, dedicated actions will be introduced in order to enhance our relationship further. We love our customers, you are our first priority!

"The Best way to predict the future is to create it."

"Quality is never an accident, it is always the result of high intention, sincere effort, intelligent direction and skillful execution; it represents the wise choice of many alternatives."

William A. Foster

Unrelenting professional standards, abundance in experience and innovation in technology ensure that we fully address and satisfy the needs of our consumers and benefactors. Cutting edge research and openness to change won **Kohinoor Group** the reputation of being technologically up to the minute and always future-aware." We are a modern group that ensures the use of latest technology and infrastructure to provide BEST QUALITY at the BEST PRICE. Customer satisfaction is our highest priority.

Our forefathers have invested more than 50 years over their experience in **Kohinoor Group**. The result have been phenomenal so far and have encouraged us to introduce new products. It is a matter of immense pride & privilege for us as we release our revised catalogue for the information & reference, for all our valued patrons & consumers.

We take this opportunity to thank our worthy dealers, the word dealer does not explain our true relation with you, you are our family & this success story is equally yours. Together we have witnessed & sailed through the most extreme economic trends, these milestones wouldn't have been possible to achieve without your trust - "We Value Your Trust".

We must also pay tribute to our dedicated, loyal and committed workforce. It is without a doubt, with their sincere efforts that we have been able to achieve so much in the valves & cocks market in so little time.

A key factor of our continued success is our openness to suggestions and feedback from our consumers and peers. We believe that an out-of-box view is often the seedling of fresh, new and fruitful ideas. We welcome and continue to encourage feedback from you all.

TEFLON TAPE

P.T.F.E. THREAD SEAL TAPE

POLY TETRA FLUORO ETHYLENE CRUDE MATERIAL TAPE

WHY THREAD SEAL TAPE USE

Thread Seal Tape Removes All The Gaps Between Thread To Thread Minimizing & Abolishing Risk Of Any Kind Of Leakage As Shown In Figures Below:

NO CHANCE OF LEAKAGE

HIGH CHANCE OF LEAKAGE

Cat No.	Size	₹
172	12mm x 10 mtrs. x 0.1mm	30
173	19mm x 10 mtrs. x 0.1mm	40
174	12mm x 10 mtrs. x 0.1mm (Blue Colour)	35

WHY **KOHINOOR** THREAD SEAL TAPE

Thread seal tape is appropriate for use on threads. **KOHINOOR** thread seal tape is required to be rolled only four times, where as other seal tapes are rolled twelve times because thread seal tape from **KOHINOOR** is three times thicker as compared to other seal tapes.
